Dear Parents,

Kings College Hospital – Service Level Agreement

As required by the emergency and transfer protocols of the Dubai Health Authority (DHA) school clinic regulation, Jebel Ali School has engaged in a partnership with King's College Hospital (KCH) as our preferred medical services provider.

In the unlikely event that your child needs emergency medical treatment during the school day, in the first instance we will try to contact you, the parents/guardians via the telephone numbers provided so that your child may be transferred to a hospital of your choice.

If we are unable to reach you, we will automatically arrange a safe transfer for your child to KCH using the services of Dubai Centre for Ambulatory Services (DCAS) where urgent medical care will be provided. Parents will be responsible to pay fully any deficit to cover the cost of all medical treatment and transportation charges, if not covered by their own medical insurance.

Parents will have the option to collect their child from KCH and to continue with medical treatment with a healthcare provider of their choice if their child's illness is not acute in nature.

It is mandatory for all returning students to Jebel Ali School to have medical insurance throughout the academic year 2020 to 2021,

Please may I ask you to complete the form below and return back to your class teacher, along with a copy of your child's medical card on the first day back to school at the start of the new academic year 2020-2021. Thank you.

Regards,

Lizzie Robinson
Principal
